

Sponsorship Packet

Spokane, Washington | May 4–5, 2026

Presented by the Washington State Children's Justice Task Force

Invitation to Sponsor - 2026 Children's Justice Conference

Dear Potential Sponsor/Organization,

On behalf of the Children's Justice Task Force, I am pleased to invite [Organizations Name] to partner with us as a sponsor for the 2026 Children's Justice Conference, taking place May 4-5, 2026, in Spokane, Washington.

The Children's Justice Conference is the largest multidisciplinary event in the Pacific Northwest dedicated to improving the systems that respond to child abuse and neglect. Professionals from child protection, law enforcement, prosecution, the courts, child advocacy centers, mental health, education, and community organizations attend to learn best practices, share innovations, and strengthen the partnerships that protect children and support families.

We recognize that both public agencies and community organizations are operating in a challenging financial climate. Washington State continues to face fiscal constraints, and many partners across the public and nonprofit sectors are doing more with less. Your investment in this conference will help sustain vital training and improve outcomes for children while building a stronger, more collaborative network of professionals statewide.

Why Sponsor the Children's Justice Conference?

- **Make a tangible impact** – Support training and collaboration that strengthen multidisciplinary responses and reduce trauma for child victims.
- **Demonstrate community leadership** – Showcase your organization's commitment to child safety, family well-being, and community resilience.
- **Connect with leaders and practitioners** – With an average of 1200 attendees, you will reach decision makers and frontline professionals from across Washington and the Pacific Northwest.
- **Enhance visibility** – Sponsors can receive recognition across conference materials, digital platforms, and on-site signage

If you would like more information after reviewing the materials enclosed in this packet our team would be happy to schedule a short call to discuss how your organization can participate in the 2026 Children's Justice Conference.

Thank you for considering this investment in the professionals who work to protect Washington's children and strengthen families.

With appreciation,

Ryan Murrey
Chair, Children's Justice Conference Committee
Children's Justice Task Force
